PASSION

The PASSION collection represents the pinnacle of our innovative approach to cycling apparel. The finest fabrics are carefully combined to optimise comfort and performance. These refinements of every detail are most evident on your longest, most challenging rides. The collection is characterised by fresh, contemporary design which elegantly completes your overall look.

MOTION

The MOTION collection brings vibrancy to time-proven materials.

Lightweight, stretchy and breathable fabrics deliver great comfort in distinct colourways for men, women and kids.

Maintain your look with the full range of short and long sleeve jerseys, shorts and a choice of jackets. Close attention to detail brings a touch of elegance to this modern, stylish cycle wear.

TEAM REPLICAS

Kalas are the Official Partner of Alpecin-Deceuninck, Czech Cycling Federation and the Great Britain Cycling Team. Together we develop high performance kit to help Olympians and world champions deliver at the highest level in Road Race, Time Trial, Track, Mountain Bike and Cyclo-cross.

These technical innovations are incorporated into our extensive range of team replicas so that everyone can show their colours and experience the same benefits of comfort and performance via our extensive range of replica kit and fanwear.
